(Filed April 1, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING MOTION TO SHORTEN TIME**

The California Independent System Operator (CAISO) has filed a motion in this proceeding asking for the entry of a protective order. CAISO also requests that, if responses are to be allowed to its motion, time should be shortened for both responses and replies. See Motion for a Protective Order Concerning Data Used to Develop a Deliverability Baseline Analysis and to Shorten Time (December 2, 2004). In assigned Administrative Law Judge Mark Wetzell's absence, the motion to shorten time has been forwarded to me for disposition.

Good cause appearing, **IT IS THEREFORE RULED** that time is shortened. Responses to California Independent System Operator's motion for a protective order must be filed and served on or before Friday, December 10, 2004. Any replies to responses must be filed and served on or before Tuesday, December 14, 2004. Questions about the motion and requested protective order should be directed to the moving attorney, Grant A. Rosenblum, at (916) 351-4400.

Dated December 9, 2004, at San Francisco, California.
